Dr. Linda Crowell
Board Chair
Stepstone Academy

Dear Dr. Crowell,

Stepstone Academy Board of Directors Safe School Policy requires that the school administration provide the School's Board Chair a semi-annual written summary "limited to the number of verified acts of harassment, intimidation and bullying, whether in the classroom, on school property, to and from school, or at school-sponsored events." Pursuant to this policy, we are reporting via this letter that Stepstone Academy has had two verified acts of harassment, intimidation, and bullying for the second half of the 2015-2016 school year from January through May 2016. Both of these incidents were dealt with at the building level.

We appreciate your efforts on behalf of Stepstone Academy.

Sincerely,

Susan M. Hyland
Superintendent of Stepstone Academy
